SACRAMENTO UPDATE

This memorandum provides a status on State Budget negotiations; a summary on the Governor's final actions for the second year of the 2009-10 Legislative Session; and a report of all County-sponsored and County-advocacy bills for the entire 2009-10 Legislative Session.

State Budget

Governor Schwarzenegger and the four legislative leaders met yesterday for about five hours to attempt to break the State Budget impasse. While a final budget agreement has not been reached yet, the Governor's office indicated that they are getting closer to a compromise and Senate President pro Tempore Steinberg noted that a lot of progress was made. The FY 2010-11 State Budget is now three months overdue.

According to various news accounts, the tentative draft agreement includes spending cuts of about \$8.0 billion, which is less than the \$12.0 billion in cuts proposed in the Governor's May Revision, and it accounts for an estimated \$1.4 billion in State savings from a two-year delay in tax breaks for corporations. Other issues that remain unresolved include pension reform sought by the Governor and a series of new tax breaks proposed by Republican lawmakers.

The Big Five is scheduled to resume budget negotiations today.

Governor's Final Actions of the 2009-10 Legislative Session

On September 30, 2010, Governor Schwarzenegger completed work on the remaining 252 regular session bills approved by the Legislature prior to its adjournment on August 30, 2010.

County-sponsored legislation signed by the Governor since September 29, 2010 includes:

- **County-sponsored AB 2322 (Feuer)**, which would clarify and strengthen the ability of county departments to share records for the prevention, identification, management or treatment of child abuse or neglect, and expand the type of information that may be entered on the Family and Children's Index for persons living in the home with the child to include criminal convictions which involve crimes against children, was signed by the Governor and it is Chapter 551, Statutes of 2010. This is an urgency measure and becomes effective immediately.
- **County-sponsored AB 2554 (Brownley)**, which would authorize the Los Angeles County Flood Control District to implement stormwater fees Countywide, in compliance with Proposition 218, to fund clean water programs upon adoption of an ordinance by the Board of Supervisors, was signed by the Governor and it is Chapter 602, Statutes of 2010. This measure becomes effective January 1, 2011.

Key legislation of County interest signed by the Governor includes:

- **County-support-in-concept AB 12 (Beall)**, which would enact the State option to use Federal Title IV-E funds to extend Foster Care and Kin-GAP benefits to foster youth up to 21 years of age, was signed by the Governor and it is Chapter 559, Statutes of 2010. This measure becomes effective January 1, 2012.
- **County-supported AB 2645 (Chesbro)**, which would freeze reimbursement rates for Institutes of Mental Diseases to the levels in effect on July 1, 2009 until June 30, 2012, was signed by the Governor and it is Chapter 554, Statutes of 2010. This is an urgency measure and becomes effective immediately.
- **County-supported SB 1392 (Steinberg)**, which would expedite and streamline the allocation of mental health services and Mental Health Services Act funds to counties, was signed by the Governor and it is Chapter 706, Statutes of 2010. This measure becomes effective January 1, 2011.

Key legislation vetoed by the Governor includes:

- **County-opposed AB 1987 (Ma)**, which would have: 1) required the board of each state and local public retirement system to establish accountability provisions that would include an ongoing audit process to ensure that a change in a member's salary, compensation, or remuneration is not made for the purpose of enhancing a member's retirement benefits, a practice known as pension spiking; 2) limit the calculation of a member's final compensation to an amount not to exceed the average increase in compensation received within the final compensation period and the two preceding years; and 3) require a board of each state and local public retirement system to establish a requirement that a retired person may not perform services for any employer covered by a state or local retirement system until that person has been separated from service for a period of at least 180 days, was vetoed by the Governor.

The Governor's veto message indicated that the practice of pension-spiking is a serious issue that deserves significant attention by the Legislature in curbing the unacceptable manner in which individual workers are able to artificially boost their retirement payouts. While AB 1987 purports to address this issue by segregating out some of the factors that have allowed pension spiking, in some instances it still allows local pension boards to determine what is ultimately counted in an employee's pension calculation.

- **County-opposed AB 2456 (Torrico)**, which would have required local Emergency Medical Services (EMS) agencies to adhere to the policies and procedures issued by the California EMS Authority regarding the functions, certification, and licensure of emergency medical technician personnel was vetoed by the Governor.

AB 2456 would have eliminated local oversight of the County's EMS Program approved by the Board of Supervisors, which was developed to ensure that every person in the County who calls 911 for a medical emergency receives the same level of quality services.

The Governor's veto message indicated that AB 2456 was unnecessary because the California EMS Authority currently has the ability to promulgate regulations to administer a statewide emergency response system. He also noted that California's diverse geography and population demands a greater degree of flexibility that AB 2456 cannot provide.

Each Supervisor
October 1, 2010
Page 4

- **County-supported SB 1091 (Hancock)**, which would have required the State to seek Federal approval to extend Medi-Cal benefits to eligible youth awaiting adjudication in county juvenile detention facilities and require counties to pay the State's share of the non-Federal portion of Medi-Cal, was vetoed by the Governor.

The Governor's veto message indicated that while SB 1091 is well-intentioned, it is inconsistent with Federal law and would expose the State to potentially significant costs. The Governor noted that the California Department of Health Care Services would be willing to work with the author to craft workable legislation that would adhere to the Federal requirement and allow for additional Federal funding.

The final disposition of the Governor's actions since September 29, 2010 on County-advocacy legislation is discussed in Attachment I.

Governor's Final Actions on County-Advocacy Legislation

Other County-advocacy legislation signed by the Governor since September 29, 2010 includes:

- **County-supported AB 354 (Arambula)**, which would remove certain age restrictions on specified childhood immunizations and allow the California Department of Public Health to require Tetanus, Diphtheria and Pertussis, as known as Whooping Cough, vaccinations for students prior to entering the seventh grade, was signed by the Governor and it is Chapter 434, Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-opposed AB 1641 (Hall)**, which would establish that blighted areas may be characterized by the existence of housing constructed as a government-owned housing project constructed prior to January 1, 1960, was signed by the Governor and it is Chapter 665 Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-supported AB 1650 (Feuer)**, which would require the Department of General Services to develop a list of persons determined to provide goods and services of a specified amount in the energy sector of Iran and requires the Department to provide notice to those persons they are ineligible to bid on, enter into, or renew certain government contracts and provides fines for false certification, was signed by the Governor and it is Chapter 573, Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-supported AB 1662 (Portantino)**, which would provide State reimbursement for property tax revenue losses attributable to the wildfires of 2009 and the winter storms of 2010 that resulted in State of Emergency declarations, was signed by the Governor and it is Chapter 447, Statutes of 2010. This is an urgency measure and becomes effective immediately.
- **County-supported AB 1758 (Ammiano)**, which would remove the designation of the Wraparound Services Program as a pilot project and would authorize all counties to provide comprehensive services to allow children to remain in a family-like setting instead of being placed into group homes, was signed by the Governor and it is Chapter 561, Statutes of 2010. This measure becomes effective on January 1, 2011.
- **County-supported AB 2145 (Ammiano)**, which would extend the sunset date of the Naloxone drug overdose prevention pilot project in seven counties, including Los Angeles, until January 1, 2016, was signed by the Governor and it is Chapter 545, Statutes of 2010. This measure becomes effective on January 1, 2011.

- **County-opposed AB 2253 (Coto)**, which would extend the period after termination of employment that a retired public safety officer could file a workers' compensation claim for cancer and be entitled to a legal presumption that the cancer is job-related, was signed by the Governor and it is Chapter 672, Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-supported AB 2347 (Feuer)**, which would, until January 1, 2013, authorize a public entity that is a party to a regulatory agreement or a recorded deed restriction for a property with five or more multifamily units, to submit a written notice to a trustee to postpone the foreclosure sale of the property for up to 60 days, was signed by the Governor and it is Chapter 597, Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-opposed AB 2499 (Portantino)**, which would revise the administration and licensing by the Department of Motor Vehicles of traffic violator schools and would limit a court from contracting with a Court Assistance Program to perform services related to the processing and monitoring of traffic violator schools, was signed by the Governor and it is Chapter 599, Statutes of 2010. This measure becomes effective January 1, 2011.
- **County-supported SB 435 (Pavley)**, which would: 1) make it a crime for a person to park, use, or operate a motorcycle registered in the State that does not have the federally required label affixed onto the motorcycle or exhaust emission system indicating that the motorcycle or exhaust emission system meets the noise emissions standards; 2) require the person cited for violation of the Federal label requirement to provide proof of correction; and 3) make a violation of the Federal label requirement punishable by a specified fine, was signed by the Governor and it is Chapter 407, Statutes of 2010. This measure becomes effective on January 1, 2011.
- **County-supported SB 654 (Leno)**, which would expand eligibility for the Independent Living Program to former foster youth who are placed with a non-relative guardian on or after the child's eighth birthday, was signed by the Governor and it is Chapter 555, Statutes of 2010. This measure becomes effective on January 1, 2011.
- **County-supported SB 894 (Senate Local Government)**, which is the Senate Local Government Omnibus bill that contains four County-sponsored provisions, was signed by the Governor and it is Chapter 669, Statutes of 2010. This measure becomes effective January 1, 2011.

The four County-sponsored provisions would: 1) raise the limit on change orders for public works contracts that county supervisors delegate to county officials from \$150,000 to \$210,000; 2) authorize a county board of supervisors to delegate authority to approve change orders on county bridge and subway construction contracts to county officers; 3) authorize a county board of

supervisors, acting as a county waterworks district's governing board, to delegate to the district manager or other district official the authority to approve change orders on construction contracts; and 4) allow the Los Angeles County Board of Supervisors to delegate to the Los Angeles County Flood Control District's chief engineer or other District officer the authority to approve change orders on construction contracts.

County-advocacy legislation vetoed by the Governor since September 29, 2010 includes:

- **County-opposed AB 853 (Arambula)**, which would have eliminated local control over the annexation process for unincorporated fringe/island communities by requiring a board of supervisors to petition the Local Agency Formation Commission (LAFCO) to approve the annexation of these communities if specified conditions are met, was vetoed by the Governor.

The Governor's veto message indicated that AB 853 is unnecessary, as existing law adequately requires LAFCOs to consider any relevant social and economic communities of interest and residents already have the ability to seek annexation or establish a new city with the appropriate balance of input from the city, county, and residents affected, as well as the fiscal considerations.

- **County-supported AB 1369 (Davis)**, which would have expanded the existing home detention program for jail inmates to allow the board of supervisors of any county to authorize the correctional administrator to implement this option in inmates eligible for bail, was vetoed by the Governor. This measure was sponsored by the Los Angeles County Sheriff.

The Governor's veto message indicated that although AB 1369 would give counties facing jail overcrowding problems the flexibility to place inmates on electric monitoring, this bill is fundamentally flawed. The Governor noted that under AB 1369 if a person is charged with a felony and escapes or cuts off their electronic monitoring device while participating in an alternative custody program, he or she can only be prosecuted for a misdemeanor. A person should not be subject to misdemeanor penalties for evading felony prosecution.

- **County-opposed AB 2397 (Solorio)**, which would have allowed a public safety officer, such as a peace officer or firefighter, to negotiate through the collective bargaining process to extend the one-year disability time-off, also known as 4850 benefit time, to up to one additional year, was vetoed by the Governor.

The Governor's veto message indicated that during the current pension crisis there is an inclination to add special benefits and compensation to unsustainable levels. The Governor also noted that he is unwilling to create potentially new costs for public entities administering the public's money.

- **County-opposed AB 2531 (Fuentes)**, which would have expanded activities eligible for redevelopment to include: 1) the provision of direct assistance, including but not limited to loans, loan guarantees and other financial assistance, to businesses within redevelopment project areas for retaining and expanding employment, or achieving certain environmental objectives; and 2) job training, job placement, apprenticeship and pre-apprenticeship programs within redevelopment project areas, was vetoed by the Governor.

The Governor's veto message indicated that the bill would authorize the use of redevelopment funds for projects that are not necessarily blighted, as well as projects outside the redevelopment area, and as such, would violate the primary purpose of redevelopment law.

- **County-supported AB 2706 (Lowenthal)**, which would have: 1) provided that the protections and remedies of the Ralph Civil Rights Act include violence or intimidation by threat of violence committed against a person or property because the person is, or is perceived to be, homeless; and 2) defined a homeless person to mean a person who does not have a fixed regular, and adequate nighttime residence, or a person who has a nighttime residence at a shelter designated to provide temporary living accommodations, was vetoed by the Governor.

The Governor's veto message indicated that AB 2706 is well-intentioned; however, it is unclear whether the homeless are targeted for violence because they are homeless, or because they possess a characteristic already protected by the California's hate crime statute, such as a mental or physical disability. The Governor further indicated that poverty, unlike race, gender, national origin and disability, is not a suspect classification. He also noted that because of the incongruence between the recognized classifications listed in the Civil Code, this bill could result in legal challenges and increased court costs.

- **County-supported AB 2698 (Block)**, which would have required county welfare departments and the California Department of Social Services to release information to credit agencies on behalf of foster youth who may be victims of identity theft, was vetoed by the Governor.

The Governor's veto message indicated that AB 2698 is similar to AB 1324 (Bass) which he vetoed in 2009 because these measures would shift workload from counties to the State.

- **County-supported SB 220 (Yee)**, which would have required health care service plans and individual or group health care insurance policies to provide coverage for tobacco cessation services, was vetoed by the Governor.

The Governor's veto message indicated SB 220 represents a costly health mandate that goes beyond current Federal law and removes the ability to manage the ever-increasing costs of prescription drugs. Instead, the Governor noted that he is signing AB 2345 (De La Torre) to ensure that the new Federal Health Care Reform legislation for preventive services is fairly and consistently enforced. AB 2345 ensures that consumers get the right preventive care without co-pays.

- **County-opposed SB 1425 (Simitian)**, which would have: 1) revised the definition of creditable compensation; 2) limited the calculation of a member's final compensation to an amount not to exceed the average increase in compensation received within the final compensation period and the two preceding years; and 3) required that a retired person may not perform services for any employer covered by a State or local retirement system until that person has been separated from service for a period of at least 180 days, was vetoed by the Governor.

The Governor's veto message indicated that the enactment of SB 1425 was contingent upon the enactment of AB 1987; however, AB 1987 was vetoed because that measure does not provide real pension reform. The Governor's message also indicated that he is hopeful that the Legislature will pass an acceptable bill that really addresses California's pension problems.

AB 12

Status: Chapter 559 of 2010

Description: Would allow California to implement the State option to use Federal Title IV-E funds to extend foster care and Kin-GAP services to youth up to 21 years of age as provided under H.R. 6893, the Federal Fostering Connections to Success and Increasing Adoptions Act of 2008.

County Position: Support in Concept

Board Action: 3/17/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_12&sess=CUR&house=B&author=beall

Beall, Jim Jr. (D-24th)

Jones, Dave (D-9th)

Status: Chapter 3 of 2009

Description: NOW: Was amended on March 19, 2009, to delete the Medi-Cal provisions.

PREVIOUSLY: Would have repealed current State law, which requires semi-annual reporting to maintain Medi-Cal eligibility for children and reinstitute 12-month continuous Medi-Cal eligibility for children under 19 years of age. Previous County Position: Support (State Update: 3/6/09)

County Position: No Position

State Update: 3/31/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_23&sess=CUR&house=B&author=jones

AB 46**Blakeslee, Sam (R-33rd)****Status:**

Chapter 28 of 2010

Description: This bill was amended on June 14, 2010 to delete the prior version of the bill related to energy efficiency, and now would allow specified counties to conduct a public manual tally by alternative means for elections taking place on specified dates.

PREVIOUSLY: Would have extended the State Energy Conservation Assistance Program, which provides grants and loans to local governments and public institutions to maximize energy use savings, until January 1, 2012, extended the existing Local Jurisdiction Energy Assistance Program that provides loans to local jurisdictions for energy projects, including to purchase, maintain, and evaluate energy efficient equipment for existing or new facilities until January 1, 2016, and make other related changes. Previous County Position: Support (State Update: 7/16/09)

County Position: No Position

State Update: 6/17/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_46&sess=CUR&house=B&author=blakeslee

AB 49**Feuer, Mike (D-42nd)****Status:**

Died in Assembly

Description: NOW: Would require the State to achieve a 20 percent reduction in urban water use in California by December 31, 2012, and requires agricultural water supplies to prepare and adopt agricultural water management plans with specified components by December 31, 2012, and update those plans every five years.

PREVIOUSLY: Would have stated legislative intent to establish a 20 percent water efficiency requirement for the year 2020 for agricultural and urban water users. Previous County Position: Support in Concept (State Update: 7/16/09)

County Position: Support

State Update: 9/16/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_49&sess=CUR&house=B&author=feuer

AB 64**Krekorian, Paul (D-43rd)****Status:**

Vetoed

Description: NOW: Was amended to make various programmatic changes necessary to implement SB 14 (Simitian),

which is now the vehicle to recast the Renewables Portfolio Standard (RPS) Program.

PREVIOUSLY: Would have recast the RPS Program to require that a retail seller and a local publicly owned electric utility obtain at least 23 percent of its electricity from renewable energy resources by December 31, 2014, increasing to 27 percent by December 31, 2017, and 33 percent by December 31, 2020, and would also establish the Renewable Infrastructure Authority and related fund and provide for renewable energy designation zones and transmission corridor zones, and make other related changes. Previous County Position: Oppose Unless Amended to remove the provisions that discourage the use of conversion technologies (State Update: 7/16/09)

County Position: No Position

State Update: 9/15/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_64&sess=CUR&house=B&author=krekorian**AB 87****Status:**

Died in Assembly

Description: Would prohibit a store from providing a single-use carryout bag, including a green carryout bag, to a customer unless the store charges a fee not less than \$0.25 at the point of sale and exempts certain customers from paying the fee. Would also establish the Bag Pollution Fund in the State Treasury and requires the manufacturer of a single-use carryout bag to develop educational materials to encourage reducing, reusing, and recycling of single-use bags.

County Position: County Sponsored**Bill Information:** http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_87&sess=CUR&house=B&author=davis**Davis, Mike (D-48th)**

AB 91**Feuer, Mike (D-42nd)****Status:** Chapter 217 of 2009**Description:** Would establish a pilot program in Alameda, Los Angeles, Sacramento, and Tulare Counties to require the installation of an Ignition Interlock Device on any vehicle owned or operated by a person convicted of Driving Under the Influence, for a term ranging from five months for a first offense to 36 months for a fourth or subsequent violation.**County Position:** Support

Board Action: 6/25/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_91&sess=CUR&house=B&author=feuer**AB 128****Status:** Died in Assembly**Description:** Would extend the period after termination of employment that a retired public safety officer could file a workers' compensation claim for cancer and be entitled to a legal presumption that the cancer is job related. The presumption, which is currently three months for each year of service, would be extended to one year for each year of service. Existing law caps the presumption period at five years; AB 128 would remove this cap.**County Position:** Oppose

State Update: 2/20/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_128&sess=CUR&house=B&author=coto**AB 133****Status:** Chapter 33 of 2010**Description:** Would: 1) authorize Los Angeles County to use Bridges and Thoroughfares (B&T) fees for "construction", as currently defined for San Diego and Orange Counties in the Subdivision Map Act, and 2) would allow a single fund to be established within a benefit area that plans to construct multiple B&T projects.**County Position:** County-Sponsored

State Update: 10/30/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_133&sess=CUR&house=B&author=smyth

AB 139**Brownley, Julia (D-41st)****Status:**

Chapter 34 of 2010

Description:

NOW: Would remove the restriction that regular meetings of the Board of Supervisors be held in the County Seat. This bill would amend the Government Code to permit a county board of supervisors to hold one or more regular meetings of the board at a location within the county other than the county seat.

PREVIOUSLY: Would have authorized the Los Angeles County Flood Control District to implement storm water fees upon voter approval, consistent with the requirements of Proposition 218 of 2006, to fund clean water programs.

County Position: County-Sponsored

State Update: 1/7/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_139&sess=CUR&house=B&author=brownley**AB 188****Jones, Dave (D-9th)****Status:**

Chapter 645 of 2009

Description: Would provide technical clean up language to AB 1383 to: add an urgency clause; an appropriation to fund the increase workload for the State Department of Health Care Services; and the authority for funds to be distributed to hospitals and to fund the children's health coverage.

County Position: Support

State Update: 10/15/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_188&sess=CUR&house=B&author=jones

AB 215**Feuer, Mike (D-42nd)****Status:**

Chapter 420 of 2009

Description: Would require skilled nursing facilities to post the overall facility rating information determined by the Federal Centers for Medicare and Medicaid Services, including the number of stars assigned to the facility out of a possible five stars. The overall Five Star Quality Rating is comprised of scores for health inspections, staffing, and how well the facility is caring for the physical and clinical needs of residents. The information would be required to be posted in an area accessible and visible to members of the public; the employee break room; and in common areas used by residents for dining, resident council meetings, or other activities.

County Position: Support

Board Action: 2/17/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_215&sess=CUR&house=B&author=feuer

AB 221**Status:**

Chapter 421 of 2009

Description: Would permit an HIV counselor to perform skin punctures for the purpose of drawing blood for HIV testing, when authorized by a licensed physician, if the counselor: 1) works under the direction of a licensed physician; and 2) has been trained in both HIV test proficiency for skin puncture blood tests and oral swab tests and in universal infection control precautions. AB 221 would exempt an HIV counselor from the requirement that an unlicensed person performing skin punctures must be a certified Limited Phlebotomy Technician. Urgency Measure.

County Position: Support

State Update: 5/11/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_221&sess=CUR&house=B&author=portantino

AB 222**Adams, Anthony (R-59th)****Status:** Chapter 431 of 2010**Description:** NOW: The bill was recently amended to address child care issues.

PREVIOUSLY: Would have defined "anaerobic digestion" and "biorefinery" and revise the definitions of "solid waste facility" and "transformation" under the California Integrated Waste Management Act of 1989 which would incentivize landfill disposal of waste over the production of clean energy and recovery of products from that waste through biorefineries. BEFORE: Was amended to delete the diversion and renewable energy credit and instead include language to remove local barriers to conversion technology permitting. Previous County Position: Opposed Unless Amended to promote the development of conversion technologies. Previous County Position: No Position. (State Update: 7/1/10)

ORIGINALLY: Would have allowed facilities that convert solid waste into energy or marketable products to count as a renewable electricity generation facility for the purpose of California's Renewable Portfolio Standards and allow local governments to count solid waste that is converted into electricity or marketable products toward their recycling diversion goals. Previous County Position: Support. (State Update: 6/18/09)

County Position: No Position

State Update: 8/5/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_222&sess=CUR&house=B&author=adams**AB 286****Status:** Chapter 230 of 2009

Description: Would extend until 2018 the authority for counties to impose an additional \$1.00 vehicle registration fee to be used for anti-vehicle theft programs. It also would add additional reporting requirements for those counties that adopt a resolution to impose the fee. Counties would be required to provide details of expenditures, including salaries and expenses, purchase of equipment and supplies, and any other expenditures to support the program.

County Position: Support

State Update: 4/21/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_286&sess=CUR&house=B&author=salas

AB 295**Ammiano, Tom (D-13th)****Status:**

Chapter 427 of 2009

Description: Would extend the availability of funds for the three-year pilot project to increase adoptions of hard to place children to June 30, 2010.

County Position: Support

State Update: 4/21/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_295&sess=CUR&house=B&author=ammiano

AB 300**Status:** Died in Senate

Description: Would: 1) require project applicants for the subdivision or development to identify and implement "voluntary water demand management measures" to reduce the net increase in water demand associated with the development or subdivision as an alternative to acquiring new water supplies; 2) require the voluntary demand management measures to result in water conservation that exceeds the projected efforts and levels of conservation identified in the public water system's urban water management plan; 3) allow the demand management measures to include permanent fixtures that reduce water demand or fees deposited with the public water system to fund water conservation efforts; and 4) allow the fees collected to be used to offset the normal capacity fees assessed to a new development by the public water system. Support if Amended to allow the public water system to collect sufficient fees to monitor and enforce voluntary demand management measures and allow the public water supplier to enforce the demand measures.

County Position: Support if Amended

State Update: 7/16/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_300&sess=CUR&house=B&author=caballero

Caballero, Anna M. (D-28th)

AB 311**Ma, Fiona (D-12th)****Status:**

Vetoed

Description: Would extend the current assessment methodology for the valuation of certificated aircraft for property tax purposes from December 31, 2010 to December 31, 2015. The current methodology was established by AB 964 of 2005 (Chapter 699). AB 964 codified an agreement between county assessors and the airline industry on the valuation of certificated aircraft. It established the Centralized Fleet Calculation Program, which ensured a uniform statewide assessment of certificated aircraft by designating a lead county to calculate an airline's fleet value based on an agreed upon methodology.

County Position: Support

State Update: 4/30/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_311&sess=CUR&house=B&author=ma

AB 315**de Leon, Kevin (D-45th)****Status:**

Died in Senate

Description: Would require the Santa Monica Mountains Conservancy to use existing budget resources and voluntary private and nonprofit resources to develop a feasibility study before June 30, 2012 for the creation of the Los Angeles River Parkway projects in the Los Angeles State Historic Park and Rio de Los Angeles State Park (Bowie Parcel).

County Position: Support if Amended

State Update: 6/28/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_315&sess=CUR&house=B&author=deleon

AB 354**Arambula, Juan (I-31st)****Status:**

Chapter 434 of 2010

Description: Would remove certain age restrictions on specified childhood immunizations for entry into child care or school.

County Position: Support

State Update: 7/22/2010

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_354&sess=CUR&house=B&author=arambula

AB 383**Lieu, Ted W. (D-53rd)****Status:**

Died in Senate

Description: Would extend the statute of limitations for the testing of biological evidence in sex crime cases from two years to five years from the date of the offense. Existing law provides that a criminal complaint may be filed within one year of the date that the identity of the suspect is conclusively established by DNA testing, if the crime is one that would require a convicted person to register as a sex offender, and the testing is performed within two years from the date of the offense.

County Position: Support

State Update: 4/7/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_383&sess=CUR&house=B&author=lieu

AB 410**Status:**

Died in Senate

Description: NOW: Would set a statewide goal to recycle a total of 1.3 million acre-feet of water annually by the year 2020, and 2 million acre-feet of water per year by 2030; require the Department of Water Resources (DWR), providing grants to hydrolic regions, to give additional consideration to proposals for the preparation of salt and nutrient management plans consistent with the recycled water policy of the State Water Resources Control Board; and require DWR to assess progress toward meeting the recycled water goal every five years based on information provided in urban water management plans.

PREVIOUSLY: Would have: 1) allocated \$5 million of the \$100 million available for multi-regional water needs from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 to the State Department of Water Resources (DWR) for the preparation of salt and nutrient management plans consistent with the recycled water policy of the State Water Resources Control Board; 2) set a statewide goal to recycle a total of 1.3 million acre-feet of water annually by the year 2020, and 2 million acre-feet of water per year by 2030; and 3) required DWR to assess progress toward meeting the recycled water goal every five years based on information provided in urban water management plans. Previous County Position: Support and Amend to appropriate a minimum of \$20 million statewide for the preparation of the salt and nutrient management plans. (State Update: 4/16/09).

County Position: Support and Amend

AB 548**Chesbro, Wesley (D-1st)****Status:**

Died in Senate

Description:

NOW: As amended on March 1, 2010, deleted provisions which would have reformed the mandate claims reimbursement process to require the State Controller to initiate an audit of a local mandate reimbursement claim within four years from the time the claim was filed, rather than three years from the time the reimbursement payment on the claim was made by the State. As amended, AB 548 would authorize the Riverside Unified School District to claim funding for the Class Reduction Program. This provision does not affect Los Angeles County.

PREVIOUSLY: Would have reformed the mandated claims reimbursement process by requiring the State Controller to initiate an audit of a local mandate claim within four years from the time the claim was filed. Under existing law, an audit must be initiated within three years from the time the reimbursement payment on the claim was made by the State. Previous County Position: Support, (State Update: 6/29/09)

AB 1048

Torrico, Alberto (D-20th)

Status:

Chapter 567 of 2010

Description: NOW: This measure was amended on July 15, 2010 to delete provisions which would have raised the age at which an infant may be safely surrendered from 72 or younger to 30 days. This bill retains provisions to allow a local fire agency to designate safe surrender sites with the approval of the local governing body of the agency. Therefore, the Sacramento advocates have removed the County's opposition on this measure.

PREVIOUSLY: Would have: 1) raised the age at which a minor child can be surrendered from 72 hours or younger, to 30 days; 2) allowed a local fire agency to designate safe surrender sites with the approval of the local governing body of the agency; 3) specified that persons at a safe surrender site have no liability prior to taking physical custody of a child; 4) required the California Department of Social Services to convene a workgroup to develop and disseminate regulations to clarify rules with respect to a mother who gives up her baby in a hospital, the definition of a safely surrendered baby, and parental information provided to, and received by counties; and 5) funded activities required by AB 1048 using State Children's Trust Fund and California Children and Families Proposition 10 Commission Funds. Status:

Chapter 86 of 2010

Description: Would: 1) adapt provisions governing Plan E of the Los Angeles County Retirement System by crediting service in the County's new semi-monthly payroll system; 2) allow a disabled member who transferred to Plan D, but does not meet the two-year service requirement for disability retirement, the ability to transfer back to Plan E to allow the member to continue to be eligible for the County's long-term disability benefits; and 3) authorize non-retired Plan E members to use current, forfeited, and vested membership periods, when meeting reciprocity requirements for purposes of determining age of entry.

County Position: Support

AB 1975**Fong, Paul (D-22nd)****Status:**

Died in Senate

Description:

NOW: The bill was substantially amended to: 1) delete the requirements for the installation of meters or submeters as a condition for the issuance of the building permit; 2) delete the requirements for the owners to charge their tenants for their water usage based on the submeter reading for each dwelling unit; 3) shift the responsibility of implementation from local agencies to the water purveyors; 4) require water purveyors to either adopt a policy for requiring the submeters for multi-family structures or require submeters on a case-by-case basis; 5) require the development of building standards to address the installation of water meters in individual dwelling units within specified newly constructed multifamily residential, mixed-use residential and commercial structures.

PREVIOUSLY: Was amended to 1) make the bill contingent upon adoption by the California Building Standards Commission of specified building standards; 2) prohibit the owner of the structure, or an association managing the structure, from assessing or collecting fees related to the water meters and submeters, from the occupants of the structure; and 3) require the State Department of Housing and Community Development (HCD) to convene a task force to develop recommendations for legislation to establish standards and procedures governing the practice of assessing and charging occupants of multifamily structures for water usage by building owners and homeowners' associations for water metering requirements imposed by the bill. Previous County Position: Support (State Update: 7/1/10)

ORIGINALLY: Would have required every water purveyor, with a certain exception, that provides water service to a person residing in a multi-unit residential structure for which a construction permit has been issued on or after January 1, 2011, to require the installation of meters or submeters on each individual rental unit as a condition of new water service to that property. It would also authorize the owner or operator to charge tenants based on the actual volume of water delivered as measured by the water meter or submeter. Previous County Position: Support if Amended to specify that the owner of the multi-family units own, operate, and maintain the submeters. In addition, DPW recommends that the bill be amended to remove the requirement that the owner install submeters as a condition of new water service to the property, and instead make it a condition for approval of the construction permit. (State Update: 4/2/10)

County Position: No Position

AB 1987**Ma, Fiona (D-12th)****Status:**

Vetoed

Description: Would: 1) require the board of each State and local public retirement system to establish accountability provisions that would include an ongoing audit process to ensure that a change in a member's salary, compensation, or remuneration is not made for the purpose of enhancing a member's retirement benefits, a practice known as pension spiking; 2) limit the calculation of a member's final compensation to an amount not to exceed the average increase in compensation received within the final compensation period and the two preceding years by employees in the same or a related group as that member; 3) require a Board of each State and local public retirement system to establish a requirement that a retired person may not perform services for any employer covered by a State or local retirement system until that person has been separated from service for a period of at least 180 days. However, because the proposed County amendments were not accepted, we changed our position to Oppose.

Previous County Position: Oppose Unless Amended (State Update: 6/23/10)

Status: Died in Assembly

Description: As proposed to be amended, would authorize the Franchise Tax Board to notify occupational and professional licensing agencies of its members' failure to pay tax liabilities.

County Position: Support

State Update: 4/2/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_2038&sess=CUR&house=B&author=eng

AB 2043

Status: Died in Assembly

Description: Would redefine the term redevelopment to include the provision of loan assistance to reduce the principal balance on home mortgages for qualified homeowners. Qualified homeowners would mean a low- or moderate-income homeowner who resides in his or her home. The bill also cites legislative intent that the subordinate loan would: 1) provide leverage to secure greater principal reduction; and 2) have a rational relationship to the amount needed to prevent foreclosure and to the present value of the forgiven principal. This measure would sunset on January 1, 2016.

County Position: Oppose

State Update: 5/21/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_2043&sess=CUR&house=B&author=torrico

Torrico, Alberto (D-20th)

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=ab_2064&sess=CUR&house=B&author=perez

AB 2065**Status:**

Died in Assembly

Description: Would: 1) authorize the redevelopment agency of the City of Downey to amend a redevelopment plan to add parcels of land to an existing City of Downey redevelopment project area; 2) find that the Legislature conclusively determines the parcels of land are blighted territory; 3) exempt the redevelopment plan amendment from various requirements of the Community Redevelopment Law; and 4) state that the Legislature finds and declares the need for the special law because of the unique circumstances pertaining to the City of Downey and this project. The bill also would exempt the adoption of the amendment of the redevelopment plan from the California Environmental Quality Act.

On May 18, 2010 the Board of Supervisors approved a motion to direct the Chief Executive Office to remove the County's opposition to AB 2065 and take a neutral position on this bill, upon the inclusion of amendments to specify a hard cap on the amount of property tax increment funds to be collected by the redevelopment agency of the City of Downey with respect to the addition of parcels of land to an existing redevelopment project and to clarify the extraordinary circumstances requiring exception to existing redevelopment law.

County Position: Oppose

ABX5 8

Brownley, Julia (D-41st)

Status: Died in Senate

Description: Would allow a school district to make student achievement data available to parents and to the public. It would target at least 30 percent of the Race to the Top funding for low-achieving schools, and would establish international level benchmarks for language arts and mathematic programs, which would be consistent with national standards.

County Position: Support

Board Action: 9/8/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=abx5_8&sess=CUR&house=B&author=brownley

ABX8 2

Assembly Budget Committee

Status: Vetoed

Description: Would suspend and defer State mandate payments to counties for estimated State General Fund savings of \$228.0 million.

County Position: Oppose

State Update: 3/5/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=abx8_2&sess=CUR&house=B&author=committee_on_budget

AJR 9

Perez, John A. (D-46th)

Status: Resolution Chaptered 57 of 2009

Description: Would urge the Congress and President of the United States to enact legislation that would provide for a three-year extension of the Ryan White HIV/AIDS Treatment Modernization Act of 2006, from its current sunset on September 30, 2009 to September 30, 2012.

County Position: Support

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=air_9&sess=CUR&house=B&author=john.a.perez

SB 16

Status: Died in Senate

Description: Would: 1) make the State's Low-Income Housing Tax Credit (LIHTC) refundable for low-income housing projects that have received a preliminary allocation of LIHTC on or after July 1, 2008 and before January 1, 2011; and 2) extend the allocation of tax credits to partners regardless of their percentage interest in a project which received a preliminary allocation of LIHTC during calendar year 2008.

County Position: Support

State Update: 5/13/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_16&sess=CUR&house=B&author=lowenthal

SB 23

Status: Chapter 551 of 2009

Description: Would require the owner or operator of a mobile home park or manufactured housing community to adopt an emergency preparedness plan, and post the plan in the park clubhouse or another a conspicuous area within the park. The bill also would require the owner or operator to provide notice to existing park residents and new residents upon approval of tenancy regarding how to access the plan as well as emergency preparedness information from appropriate State or local agencies, including the California Emergency Management Agency.

County Position: Support

Board Action: 3/24/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_23&sess=CUR&house=B&author=padilla

SB 25**Padilla, Alex (D-20th)****Status:** Died in Assembly**Description:** NOW: Was amended to delete the prior version of the bill, and include language clarifying the definition of "renderer" and "rendering" under the California Meat and Poultry Inspection Act.

PREVIOUSLY: Would have: 1) increased the mandatory solid waste diversion rate from 50 percent to 60 percent by January 1, 2015, and establish a 75 percent statewide waste reduction target by January 1, 2020; 2) mandated commercial recycling by 2012 for counties with a population over 200,000; 3) required the owner or operator of a business that contracts for waste services and generates more than four cubic yards of total waste and recyclable materials per week to arrange for recycling services; 4) increased the State solid waste tipping fee from \$1.40 to \$2.13 with adjustments in the future for cost of living changes; and 5) authorized the California Integrated Waste Management Board to create a grant program to assist local government with illegal dumping. Previous County Position: Oppose (State Update: 7/16/09)

County Position: No Position

SB 93**Kehoe, Christine (D-39th)**

Status: Chapter 555 of 2009

Description: NOW: Requires that a Community Redevelopment Agency (CRA) determine that for proposed activity within a project area, the public facility or land acquisition is of benefit to the project area and that it will help to eliminate blight. For projects outside a project area, the CRA must find the land or public facilities are of primary benefit to the project area, help to eliminate blight, or directly assist in the provision of housing for low or moderate-income housing. Because SB 93 would no longer strengthen the blight findings requirement to prevent development abuse, support was removed and no position is taken.

PREVIOUSLY: Would have required that before a redevelopment agency can pay for public works either inside or outside a project area, the agency's legislative body must make new findings of blight in a project area to spend money on a public facility inside the project area and certify that the public facility would remove blight. SB 93 would strengthen the provisions of current redevelopment law by adding further restrictions to the manner in which a redevelopment agency can spend diverted taxes. Previous County Position: Support (State Update: 3/16/09)

County Position: No Position

State Update: 5/21/2009

SB 179

Runner, George (R-17th)

Status: Chapter 66 of 2010

Description: NOW: Would streamline the appeals process for Termination of Parental Rights and promote the placement of children in adoptive homes by modifying the current process of serving the Termination of Parental Rights to birth parents by allowing the notice of termination and appeal rights documents to be served directly to the birth parents if they are present in court when the order is made.

PREVIOUSLY: Would streamline the appeals process for Termination of Parental Rights and promote the placement of children in adoptive homes by: 1) reducing the time period for a birth parent to file an appeal from 60 days to 30 days when the Juvenile Court orders the Termination of Parental Rights; 2) modifying the current process of serving the Termination of Parental Rights to birth parents by allowing the notice of termination and appeal rights documents to be served directly to the birth parents if they are present in court when the order is made; and 3) allowing the Termination of Parental Rights order to automatically take effect 180 days after the order is issued.

SB 337**Ahquist, Elaine (D-13th)****Status:** Chapter 180 of 2009**Description:** NOW: Was amended on April 22, 2009 to delete the Medi-Cal provisions. The bill now relates to the reporting requirements by a clinic, health facility, home health agency, or licensed hospice provider when law enforcement is investigating unlawful access to medical records.

PREVIOUSLY: Would have repealed current State law which requires semi-annual reporting to maintain Medi-Cal eligibility for children and reinstitute 12-month continuous Medi-Cal eligibility for children under 19 years of age. This change is necessary to ensure that the State qualifies to receive the temporary increase in the Federal Medical Assistance Percentage (FMAP) pursuant to the recently enacted H.R. 1, the American Recovery and Reinvestment Act. AB 23, SBX3 26, and SB 337 have been introduced as potential vehicles to repeal the semi-annual reporting requirement in order for the State to be eligible to receive additional FMAP funding. Previous County Position: Support (State Update: 3/6/09)

County Position: No Position

State Update: 4/24/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_337&sess=CUR&house=B&author=ahquist**SB 346****Status:** Chapter 346 of 2010**Description:** Would reduce the use of copper and other heavy metals in automobile brake friction materials starting in 2014, effectively remove copper from brake pad materials by January 1, 2025, and impose specified requirements on manufacturers and retailers of vehicles and brake friction materials. The Total Maximum Daily Load (TMDL) compliance schedule in the bill is different than the existing State/Federal TMDL compliance schedule.

The bill was sent to the Governor's Desk without the County's requested amendments. Previous County Position: Support if amended to include that State and Federal water regulatory bodies revise the TMDL compliance schedules for copper brake pad materials. (State Update: 4/10/09)

SB 894

Senate Local Government (-)

Status: Chapter 669 of 2010

Description: Contains four County-sponsored proposals related to change orders on County construction contracts, as reported in the October 30, 2009 Sacramento Update. Specifically, these County-sponsored items would: 1) raise the limit on change orders for public works contracts in excess of \$250,000 that county supervisors may delegate to county officials from \$150,000 to \$210,000; 2) authorize a county board of supervisors to delegate authority to approve change orders on county bridge and subway construction contracts to county officers up to \$210,000; 3) authorize a county board of supervisors, acting as a county waterworks district's governing board, to delegate to the district manager or other district official the authority to approve change orders on construction contracts up to \$210,000; and 4) allow the Los Angeles County Board of Supervisors to delegate to the Los Angeles County Flood Control District's chief engineer or other District officer the authority to approve change orders on construction contracts up to \$210,000.

County Position: County-Sponsored

State Update: 10/30/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_894&sess=CUR&house=B&author=committee on local government

SB 974

Status: Died in Assembly

Description: Would make changes to existing law regarding the State Enterprise Zone Program to: 1) eliminate retroactive employee hiring tax credit voucherizing; 2) cancel the use of the Targeted Employment Area (TEA) and Targeted Tax Area residency as an employee eligibility criteria; 3) establish the Career Pathways Investment Credit; and 4) cap the aggregate amount of tax credits that may be allocated in calendar year 2011 at \$78 million and \$100 million annually thereafter. This measure would provide for a tax levy making it effective immediately if passed by the Legislature and signed by the Governor.

County Position: Oppose

State Update: 7/2/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_974&sess=CUR&house=B&author=steinberg

SB 994**Price, Curren D. Jr. (D-26th)****Status:** Died in Senate**Description:** Would provide that expenses incurred for elections proclaimed by the Governor to fill a vacancy in the office of State Senator or Member of the Assembly, or to fill a vacancy in the Office of the United States Congress, are to be paid by the State.**County Position:** County-Sponsored

Board Action: 5/26/2009

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_994&sess=CUR&house=B&author=price**SB 996****Status:** Died in Senate**Description:** Would amend the Revenue and Taxation Code to require that any tax, penalty or interest that was levied upon property previously owned by the Department of Transportation, and which is solely owned by a 501(c)(3) nonprofit organizations, be refunded.**County Position:** Oppose

State Update: 3/9/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_996&sess=CUR&house=B&author=lowenthal**SB 1084****Status:** Died in Assembly**Description:** Would establish the California Economic Security Task Force to study measures to reduce poverty by 2020. The Task Force would include legislators, State agency secretaries, members of the public, the business community, and representatives from key stakeholder groups. The Task Force would begin holding quarterly meetings on or before July 1, 2011 and would remain in effect until July 1, 2013. The measure would require the Task Force to complete a comprehensive final report with long-term recommendations and unified strategy to create a self-sustaining entity to lead and coordinate the State's efforts to reduce poverty by 50 percent by 2020 on or before July 1, 2012.**County Position:** Support

State Update: 5/17/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1084&sess=CUR&house=B&author=liu

SB 1091**Hancock, Loni (D-9th)****Status:**

Vetoed

Description: Would extend Medi-Cal benefits to youth entering county juvenile detention facilities.**County Position:** Support

State Update: 7/9/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1091&sess=CUR&house=B&author=hancock**SB 1100****Corbett, Ellen (D-10th)****Status:**

Died in Assembly

Description: Would require producers of household batteries to institute a stewardship program to manage used household batteries by September 30, 2011, and establish collection rates for household batteries of 25 percent by January 1, 2014, and 45 percent by January 1, 2016, with an overall program target of 95 percent.**County Position:** Support

State Update: 4/27/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1100&sess=CUR&house=B&author=corbett**SB 1109****Cox, Dave (R-1st)****Status:**

Died in Senate

Description: Would abolish the First 5 California and the County First 5 Commissions throughout the State.**County Position:** Oppose

State Update: 4/8/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1109&sess=CUR&house=B&author=cox

SB 1112**Oropeza, Jenny (D-25th)****Status:**

Died in Senate

Description: Would allow a 10-year extension of a redevelopment project area that at least 25 percent of the property within the project area is property where the redevelopment agency is authorized to take action to remedy or remove a release of hazardous substances pursuant to the Polanco Redevelopment Act of 1990 (Chapter 1113, Statutes of 1990). The bill would: 1) limit the provisions of the bill to apply only to the area within the original boundary of Project Area No. 1 of the Carson Redevelopment Agency; and 2) create an exemption for the City of Carson from existing redevelopment law on Low and Moderate Housing requirements. The bill also states that the Legislature finds and declares the need for the special law because of the unique circumstances pertaining to Project Area No. 1 of the Carson Redevelopment Agency.

County Position: Oppose

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1112&sess=CUR&house=B&author=oropeza

SB 1173**Status:**

Vetoed

Description: NOW: (Would: 1) declare that the use of all "raw or potable water" for nonpotable municipal or industrial uses is a waste or unreasonable use of water if recycled water is available and reliable that meets specific conditions; 2) prohibit a person or public agency from using raw or potable water that is suitable for nonpotable municipal or industrial uses if suitable recycled water is available that meets specific conditions; and 3) declare that the use of raw or potable water for the irrigation of landscaping, floor trap priming, cooling towers, and air-conditioning devices is a waste and unreasonable use of water if recycled water is available and reliable that meets specific conditions. "Raw water" is defined as surface water or groundwater that has not been treated, but does not include remediated groundwater. The bill was sent to the Governor's Desk without the County's requested amendments.

PREVIOUSLY: Would have extended the application of existing law, which requires the prevention of waste or unreasonable use of water, to the use of any "raw or potable water" if recycled water is available that meets statutory conditions. Previous County Position: Support if Amended to specify the local water purveyor or as the agency that determines the reasonable distance at which recycled water would be deemed unavailable for use. (State Update: 4/2/10)

County Position: No Position

State Update: 8/27/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1173&sess=CUR&house=B&author=wolk

SB 1174

Wolk, Lois (D-5th)

Status: Died in Assembly

Description: NOW: Was amended to remove the mandate for cities and counties to apply to the Strategic Growth Council for funds to update the general plan and remove the mandate for cities and counties to update its general plan to include data and analysis, goals, implementation measures, policies, and objectives to address the presence of island, fringe, or legacy unincorporated communities inside or near its boundaries.

PREVIOUSLY: Would have required a city or county to amend its general plan to address the presence of island, fringe, or legacy unincorporated communities, as defined, inside or near its boundaries, and would require the amended general plan to include specified information about disadvantaged unincorporated communities. It would also have required a city or county, after the initial amendment of its general plan, to review, and if necessary, amend its general plan to update its information, goals, and program of action relating to these communities. Previous County Position: Oppose (State Update: 4/2/10)

County Position: No Position

State Update: 6/28/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1174&sess=CUR&house=B&author=wolk

SB 1236

Status: Died in Assembly

Description: Would allow public hospitals that use county funds to draw down matching Federal funds to conduct internal reviews of Treatment Authorization Requests.

County Position: Support

State Update: 6/23/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1236&sess=CUR&house=B&author=alquist

SB 1392**Steinberg, Darrell (D-6th)****Status:**

Chapter 706 of 2010

Description: Would expedite and streamline the allocation of mental health services and Mental Health Services Act funds to counties.**County Position:** Support

State Update: 7/28/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1392&sess=CUR&house=B&author=steinberg**SB 1425****Status:**

Vetoed

Description: Would: 1) revise the definition of creditable compensation; 2) limit the calculation of a member's final compensation to an amount not to exceed the average increase in compensation received within the final compensation period and the two preceding years; and 3) require that a retired person may not perform services for any employer covered by a State or local retirement system until that person has been separated from service for a period of at least 180 days. SB 1425 would become operative only if AB 1987 (Ma) is signed into law.**County Position:** Oppose

State Update: 9/1/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1425&sess=CUR&house=B&author=simitian**Simitian, Joseph S. (D-11th)**

SB 1446

Correa, Lou (D-34th)

Status: Died in Senate

Description: NOW: Was amended to include intent language regarding the establishment of alternatives for financial assurances for public agencies that would ensure those agencies fully fund their obligations on an ongoing basis for habitat mitigation and the maintenance and monitoring of that mitigation.

PREVIOUSLY: Would have made changes to existing law regarding habitat mitigation assurance for local governments by relieving local jurisdictions from the existing requirement to make up front cash deposits to a special trust endowment held by the State for implementation of mitigation measures and compliance, if specified conditions are met. Previous County Position: Support (State Update: 4/2/2010)

County Position: No Position

State Update: 4/22/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sb_1446&sess=CUR&house=B&author=correa

SBX3 24

Status: Chapter 24 of 2009

Description: Would suspend existing State law, which requires semi-annual reporting to maintain Medi-Cal eligibility for children under 19 years of age and temporarily reinstate 12-month continuous eligibility. This change is necessary to ensure that the State receives funding from the temporary increase in the Federal Medical Assistance Percentage (FMAP) pursuant to the recently enacted H.R. 1, the American Recovery and Reinvestment Act. The FMAP increase is available until December 31, 2010. The suspension of the semi-annual reporting requirement would remain in effect until the Director of the California Department of Health Care Services declares that increased FMAP funds are no longer available. Upon the declaration, semi-annual reporting would resume until July 1, 2012, and the current sunset date to repeal this requirement would be extended from January 1, 2012 to January 1, 2013, unless a later statute is enacted to delete or extend that date.

County Position: Support

State Update: 3/18/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx3_24&sess=CUR&house=B&author=alquist

SBX3 26

Alquist, Elaine (D-13th)

Status: Died in Senate

Description: NOW: Was amended on April 16, 2009 to delete the Medi-Cal provisions.

PREVIOUSLY: Would have repealed State law which requires semi-annual reporting to maintain Medi-Cal eligibility for children and reinstitute 12-month continuous Medi-Cal eligibility for children under 19 years of age. This change is necessary to ensure that the State qualifies to receive the temporary increase in the Federal Medical Assistance Percentage (FMAP) pursuant to the recently enacted H.R. 1, the American Recovery and Reinvestment Act. AB 23, SBX3 26, and SB 337 had been introduced as potential vehicles to repeal the semi-annual reporting requirement in order for the State to be eligible to receive additional FMAP funding. Previous County Position:
Support (State Update: 3/6/09)

County Position: No Position

State Update: 5/11/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx3_26&sess=CUR&house=B&author=alquist

SBX5 1

Status: Chapter 2 of 2010

Description: Would make legislative changes to ensure that California is eligible to compete for Federal Race to the Top funding.

County Position: Support

Board Action: 9/8/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx5_1&sess=CUR&house=B&author=steinberg

SBX5 2

Simitian, S. Joseph (D-11th)

Status:

Chapter 1 of 2010
Description: Would authorize the California Department of Education, to the extent permissible under the Federal Family Educational Rights and Privacy Act, to: 1) develop procedures to provide qualified researchers with access to student achievement data; and 2) respond to requests for pupil data. The bill also would authorize local education agencies to access and share pupil data to identify practices that improve student performance.

County Position: Support

Board Action: 9/8/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx5_2&sess=CUR&house=B&author=simitian

SBX5 4

Romero, Gloria (D-24th)

Status:

Chapter 3 of 2010
Description: Would establish an Open Enrollment Program to allow pupils in low-achieving schools to attend any higher-achievement school in the State and would establish a Parent Empowerment Program to authorize parents to sign a petition to request low-performing schools to implement initiatives to improve school outcomes.

County Position: Support

Board Action: 9/8/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx5_4&sess=CUR&house=B&author=romero

SBX7 7

Steinberg, Darrell (D-6th)

Status:

Chapter 4 of 2009
Description: Would require the State to achieve 20 percent urban water consumption reduction by December 31, 2020, and would mandate the development and implementation of more efficient agricultural water management practices by December 31, 2020. This measure is similar to County-sponsored AB 49.

County Position: Support

State Update: 11/5/2009

Bill Information: http://www.leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx7_7&sess=CUR&house=B&author=steinberg

SBX8 4

Senate Committee on Budget and Fiscal Review

Status:

Chapter 4 of 2010

Description: Would expand eligibility for Federal Financial Participation to current State-only foster care cases, subject to Federal approval. If the Federal government agrees to increase financial participation in foster care, the State would need to renegotiate the Title IV-E Waiver to allow Los Angeles County to receive the increased funding.

County Position: Support

State Update: 3/5/2010

Bill Information: http://leginfo.ca.gov/cgi-bin/postquery?bill_number=sbx8_4&sess=CUR&house=B&author=committee_on_budget_and_fisc
